“The company makes happiness
with healthy foods”

What is One-stop Service ?

We use 100 % Korean seaweed.

Because we are drying, Roasting and distributing in company it not only saves time and expense, but also quality is excellent.

Production system

MEKKA laver is made by the most scientific production system

- Drying machine -

- Automatic packaging systems -

- MEKKA proceed with a drying process of “20” steps.
(Other businesses are roughly four-step.)
- You can feel the unique taste and aroma of seaweed.

- Oven system -

- Seaweed is a creature. Therefore, it is good quality to bake at appropriate temperatures.
- MEKKA produce with the warming temperature using our own know-how with care.
