ANTIBACTERIAL ACF FILTER

Removes harmful substances
and Purify your water

ACF ('Activated Carbon Fiber') is the filter's core that removes invisible ultrafine harmful ingredients. Our patented water filter applies active carbon fiber to absorb residual chlorine and its odor. Also removes up to 98% of lead from your tap water, including heavy metals and chemical byproducts.

Technical water purify f

SEDIMENT FILTER

Patented and produced for excellent filtration performance— ultra fine removal to 5 microns. Filters your water in reducing impurities and foreign substances. It is made of fine fiber structure.

Skills of filter Experts!

VITAPRESSO

Removes Residual Chlorine
Vitamin Supply & Aromatherapy

Moisturizing and tightening the skin using natural vitamin C without chemical additives. Effective on skin dryness, scalp exfoliation, hair loss prevention and skin whitening. Vitapresso removes residual chlorine in tap water by instant reduction of Vitamin C.
