Innovative Stick!

No need to wash, prepare and mince.
All preparations are done by mom's.
All the products of mom's are additives-free.

Simple Olge Rice Powder (Rice Powder for Stage 1 Baby)

Up to 12 times higher nutrition, easy digestion.
Special rice is used to make Simple Olge Rice Powder.
By adding broccoli, kabocha squash and carrot powder to rice powder, this product is both full of nutrition, and easy to prepare.

Rice Embracing the Vegetable (Stage 2, 3 baby food)

2 different rice, and 5 different vegetables,
2 different mushroom, all in one stick!
Just add content in a stick and water into a pot
then boil, and vegetable porridge will be done.

Beef Bone Soup for Kids

Special beef bone soup made
with antibiotic-free Korean beef bone.
A pure beef bone soup
with no salt added.

YogurYogur Strawberry YogurYogur Apple

Unbelievable! 70% of the ingredients – fresh fruits!
A yogurt made with strawberry and
apple harvested in right season.

Bebemange

A silicon spoon which its color changes
when content is too hot.
This spoon protects your baby's inner mouth
safe from hot content.
