

PAINO TECHNOLOGY Inc.

“Based on the best technology, to be healthy life”

PAINO
TECHNOLOGY

Company Introduction

PAINO Inc. has made target to main goal of healthy-giving human life and developed ASTRA – PAINO TECHNOLOGY that is leading-edge technology.

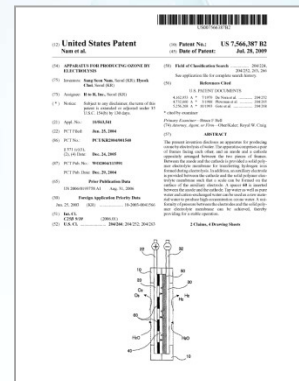

As a result, we developed Hybrid Water with 99% anti-bacterial and Hydrogen Water that stands out as next generation antioxidant, applied in various fields like home, beauty treatment, and medical industry.

PAINO Inc. constantly develops and research technology to suggest new value that improves human health and hygiene and always provides customer with satisfaction by the best technology.

History

- 2014**
 - Aquatech USA 2014 entry
 - Seongnam-si, head office relocation
- 2013**
 - Obtained EU patent [Title of Invention : An apparatus for producing ozone by electrolysis]
 - Signed ODM contract for the hydrogen water generator with 'S' company in Japan.
 - Seoul Yangjaedong head office and Seongnam-si, a place of business (change)
 - Established a R&D center.
 - Registered the factory to Seongnam-si Industrial Complex Corporation Administration Office.
 - Exported hydrogen water generators to Japan.
- 2012**
 - Provided 'LOTTE Asahi Liquor Co., Ltd.' with draft beer line sterilization washers.
 - Developed technology for generating hydrogen water.
 - Developed dentist water supply
- 2011**
 - Changed corporate name to PAINO Inc.
- 2010**
 - Obtained Japan patent [Title of Invention : An apparatus for producing ozone by electrolysis]
- 2009**
 - Obtained US patent [Title of Invention : An apparatus for producing ozone by electrolysis]
- 2007**
 - Developed the draft beer line sterilization washer branded ECOZEN.
 - Developed the sterilization system for water purifiers.
 - Developed the sterilization system for water dispensers.
- 2006**
 - Obtained Korea patent [Title of Invention : An apparatus for producing ozone by electrolysis]
- 2005**
 - Established RTOR Inc.
 - Developed Astra-PAINO Technology.

Product Information

Portable Hydrogen Water Generator

Main features of Astra 1!

Have easier Healthy Hydrogen water in you pocket

- No matter where you are, you can have a water with
- over 1,000ppb of hydrogen
- Guarantee any type water using, even RO water
- Easy sanitation and cleansing
- Operated with a just a push of a button
- Enjoy 100% pure Hydrogen water without oxidant

Main features of Astra 2!

Compatibility

- Compatible with variety bottles
- Specialized bottle for 「Astra」, separate purchase

Convenience

- Simply control hydrogen rich water by 1 button

Compatibility

- Designed with compact and lightweight
- 10 times operation available after full charging

Power Consumption	10W
Dimension (W x H x D) mm	72 X 104 X 72 mm
Weight	274g (body)
Power Adopter	Input : AC100v~240v/ Output : DC8.4v
Generating Time	5 Min
Charging Time	90 Min. (10 times operation available after full charging)

#A-507, 215, Galmachi-ro, Jungwon-gu, Seongnam-si, Gyeonggi-do, (13217) Korea
