

Beauty starts with nature.

JEISIA offers hope for your skin.

Top-quality natural ingredients are used not merely for an attractive color and fragrance,
but for excellent effects to tired skin without irritation.

Natural ingredients grown from pristine Jeju are carefully selected to be supplied on the breathing skin,
and close attention is given towards enabling the very pure and utmost effects.

Mineral oil (Vaseline) is not used,
and only nutmeg oil from clean Jeju was used.

Perfect Moisturizing Premium Mask Pack full of natural ingredients from Jeju

Skin irritated from life in the city is cared for with natural ingredients from Jeju.

Step-1 Bio-Cellulose Mask

Wrinkle-filling & Anti-wrinkle Effect! Moisture Protection Effect!

A skin barrier is created with oil ingredients, and it contains adenosine for an anti-wrinkle effect. Has a skin barrier effect with ceramide in step 2.

Step-2 Bio-Cellulose Mask

It contains ceramide to create a skin barrier for continuously maintaining skin moisturization.

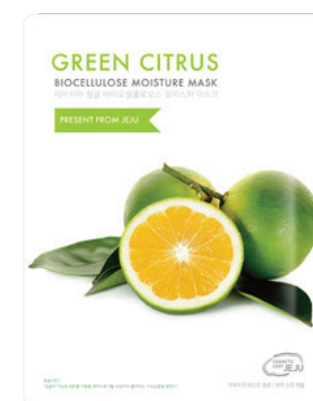

Citrus Bio-Cellulose Mask

Bio-Cellulose Mask

Rich amount of Vitamin C helps with anti-oxidation, and it contains ingredients to help whiten the skin and create an anti-wrinkle effect to maintain vitalized skin.

Green Citrus Bio-Cellulose Mask

Bio-Cellulose Mask

It contains a rich amount of Vitamin C from unripe green tangerines to help the anti-oxidation effect, and also contains other ingredients from Jeju to help maintain energized and vitalized skin.

Green Citrus Bio-Cellulose Mask using the Color Bio-Cellulose (Patent No.: 10-163871)

Natural Lava Sea Water from Hallasan Mountain(Lava Sea Water)

The lava seawater of Jeju penetrates the volcanic bedrock layer underground and is stored for a long period of time, so the lava seawater is not exposed to external environments like other general seawater to have homeostasis, and it contains a rich amount of minerals that are good for the body.
