BMBCO

1 Welllooking

Add 'well-being' to 'beauty'

BMBCO started with a childhood experience of having difficulty falling asleep because of sensitive skin and the question of what “healthy beauty” is. With the concept of 'well-looking,' which pursues well-being, a healthy mind and body, and focuses on external beauty, we have searched for ingredients in nature and scientifically analyzed the interactions between them through countless experiments and studies to make 'healthy cosmetics.' This created the 'BMBCO' brand, which provides the best solution for whitening and wrinkle improvement. BMBCO provides 'healthy beauty' that shines from inside the skin – based on natural ingredients – to everyone, including those with sensitive skin and those looking for healthy beauty.

2 Pure The Nature Environment

Present 'nature' to the skin

Starting from its experience, BMBCO found ingredients in nature to create “healthy cosmetics” in line with consumer styles and well-being trends that emphasize cosmetic ingredients as well as external beauty. The oils, preservatives, fragrances and pigments that form the basis of our cosmetics are all derived from nature, and we offer reliable solutions through strict manufacturing processes and quality control. The 'BMBCO three-step solution' of the naturally-derived system creates a radiant glow from inside the skin, completing the safe and healthy beauty, rather than the beauty seen only when applying cosmetics.

3 Resurrection Of Healthy Beauty

Complete 'Healthy Beauty'

BMBCO offers the 'BMBCO three-step solution' by focusing on the cells in the skin for the systematic treatment of the skin as well as visible effects. BMBCO's three-step solution – opening the moisture passages in the skin, supplying the main ingredients, and forming a protective film on the skin – uses a strictly managed safety ingredient based on a naturally-derived system, which makes it possible for anyone to care for the skin with home care as if it was managed at an aesthetic center. BMBCO, which produces radiance from inside the skin, is the best choice for smart consumers who want both special care effects like those of aesthetic centers and reasonable consumption.

02 BMBCO – Product Features

Natural ingredients

EWG GREEN Level

systematic and quick
moisture replenishment

quick moisturizing inner skin care
made by a resurrection plant

pure purity 99.9% gold
(100~500ppm)

SEOUL Awards Best Product

dual functional cosmetics

test completed

Resurrection plant

(main ingredient: glyceryl glycoside)

Fast
moisturizing

skin barrier

cell
protection

aging
prevention

Glyceryl glycosides from a resurrection plant open the aquaporin, a moisture pathway in the skin, and instantly moisturize the skin.

24K GOLD

(100~500ppm)

Skin
whitening

antioxidant

skin lift
& elasticity

soothing
skin

The purified purity of 99.9% pure gold is absorbed quickly and activates the skin to promote exfoliation and cell regeneration. Detoxification helps to relieve skin problems such as inflammation, skin trouble and acne, and helps by providing antioxidants, skin whitening and skin soothing effects.

Hyaluronic acid & hexagonal glacier water

Moisture
bomb
formation

moisture
supply

skin barrier

aging
prevention

Hyaluronic acid, which attracts 1,000 times more moisture than its own volume, meets a hexagonal glacier water to form a pure water bomb. It is absorbed into the dermis layer of the skin to create moist and elastic skin.

02 BMBCO – three-step solution

Glyceryl glycoside is the main ingredient of the mysterious ‘resurrection plant’ that revives with just a few drops of water. It opens moisture channels in the skin and restores the radiance and vitality of the skin by penetrating 24K gold to help skin whitening and wrinkle improvement, as well as hyaluronic acid containing 1,000 times more moisture than its own volume, and hexagonal glacial water를 directly into skin cells.

Hydration in the skin (directly hydrates skin cells)

Whitening & wrinkle improvement effect

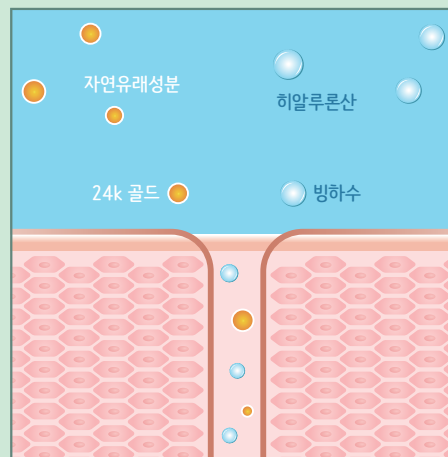

✓ the skin cannot absorb good ingredients deeply

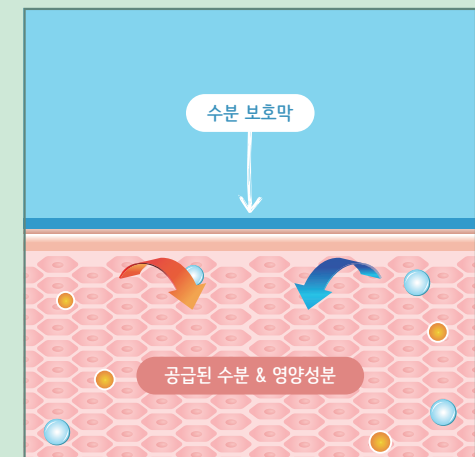

three-step solution

STEP 1 | opening the moisture passages in the skin
Glyceryl glycosides from a resurrection plant open the aquaporin, a moisture pathway in the skin

STEP 2 | supplying the main ingredients
The main ingredients of Bmbco for hydration, nutrition, whitening and wrinkle improvement penetrate deeply into the skin.

STEP 3 | forming a protective film on the skin
The skin barrier film is formed so that nutrients and moisture do not escape from the skin, creating a radiant glow from inside the skin!

SUMMARY OF THE CLINICAL STUDY	
Title of the clinical study	A safety test of 'QUEEN9 NOBLE GOLD SERUM, QUEEN9 NOBLE GOLD EYE CREAM, QUEEN9 NOBLE GOLD CREAM, QUEEN9 NOBLE GOLD EMULSION, QUEEN9 NOBLE GOLD AQUA CREAM, QUEEN9 NOBLE GOLD TONER' after 24 hours patch on human skin
Clinical trial institution	Korea Institute of Dermatological Sciences, 6th Floor, Tower A, 25, Seodae-ro 11-gil, Songjeong-gu, Seoul, 0336, Republic of Korea
Trial period	May 13, 2019 (study initiation) ~ June 17, 2019 (study termination) For the study initiation, the person in charge of the study signed the clinical study protocol to the study termination, the person in charge of the study signed the final report.
Subjects	Thirty three female subjects who met the inclusion criteria and were not included in the exclusion criteria were selected for this study.
Name of the test materials	QUEEN9 NOBLE GOLD SERUM (Test material #1) QUEEN9 NOBLE GOLD EYE CREAM (Test material #2) QUEEN9 NOBLE GOLD CREAM (Test material #3) QUEEN9 NOBLE GOLD EMULSION (Test material #4) QUEEN9 NOBLE GOLD AQUA CREAM (Test material #5) QUEEN9 NOBLE GOLD TONER (Test material #6)
Methods	Thirty three healthy volunteers participated in the patch test using Finn Chamber on skin. Each of Finn Chambers containing 20 μ L of a test material were fixed on the upper back of the subjects after cleaning up the test area with 70% ethanol and drying. The test area was assessed at 30 minutes, 24 hours and 48 hours after a single application during 24 hours patch on the subjects. Skin reactions were scored by a dermatology specialist, following the criterion of International Contact Dermatitis Research Group (ICDRG).
Results	Requested by Enna Cosmetic Inc., skin reaction was assessed at 30 minutes, 24 hours and 48 hours after a single application during 24 hours patch of 'QUEEN9 NOBLE GOLD SERUM, QUEEN9 NOBLE GOLD EYE CREAM, QUEEN9 NOBLE GOLD CREAM, QUEEN9 NOBLE GOLD EMULSION, QUEEN9 NOBLE GOLD AQUA CREAM, QUEEN9 NOBLE GOLD TONER' on human skin. According to the criterion of International Contact Dermatitis Research Group (ICDRG), mean score was calculated after categorizing the degree of skin reaction. No skin reaction was noticed at 30 minutes, 24 hours and 48 hours after removing patch of 'QUEEN9 NOBLE GOLD SERUM' on the test area and the mean score obtained was 0.00. Thus, the test material can be considered as non irritant. No
<p>This report is the confidential document and property of the Korea Institute of Dermatological Sciences. Its transfer, plagiarism, and disclosure to third parties is prohibited.</p> <p>Korea Institute of Dermatological Sciences</p>	

Results	skin reaction was noticed at 30 minutes and 24 hours after removing patch of 'QUEEN9 NOBLE GOLD EYE CREAM' on the test area. Although \pm irritation was observed from one subject after 48 hours, the test material can be considered as non irritant, regarding the mean score obtained was 0.17. No skin reaction was noticed at 30 minutes and 24 hours after removing patch of 'QUEEN9 NOBLE GOLD CREAM' on the test area. Although \pm irritation was observed from one subject after 48 hours, the test material can be considered as non irritant, regarding the mean score obtained was 0.17. No skin reaction was noticed at 30 minutes, 24 hours and 48 hours after removing patch of 'QUEEN9 NOBLE GOLD EMULSION' on the test area and the mean score obtained was 0.00. Thus, the test material can be considered as non irritant. No skin reaction was noticed at 30 minutes, 24 hours and 48 hours after removing patch of 'QUEEN9 NOBLE GOLD AQUA CREAM' on the test area and the mean score obtained was 0.00. Thus, the test material can be considered as non irritant. No skin reaction was noticed at 30 minutes, 24 hours and 48 hours after removing patch of 'QUEEN9 NOBLE GOLD TONER' on the test area and the mean score obtained was 0.00. Thus, the test material can be considered as non irritant.
Conclusion	Requested by Enna Cosmetic Inc., 'QUEEN9 NOBLE GOLD SERUM, QUEEN9 NOBLE GOLD EYE CREAM, QUEEN9 NOBLE GOLD CREAM, QUEEN9 NOBLE GOLD EMULSION, QUEEN9 NOBLE GOLD AQUA CREAM, QUEEN9 NOBLE GOLD TONER' can be considered as non irritant according to the results of the safety test.
<p>... Thus, the test material can be considered as non irritant. ... BMBCO Gold line six kinds can be considered As non irritant according to the results of the safety test.</p> <p>This report is the confidential document and property of the Korea Institute of Dermatological Sciences. Its transfer, plagiarism, and disclosure to third parties is prohibited.</p> <p>Korea Institute of Dermatological Sciences</p>

Queen79 Noble Gold Serum

퀸 79 노블 골드 세럼

Queen 79 Noble Gold Serum helps the skin barrier moisturize and elasticate with the help of resurrection plant called the rose of the desert and various types of natural plant extracts.

04 Line Up – Queen79 Noble Gold Serum

Queen79 Noble Gold Serum

It has antioxidant, natural healing power, whitening, detox effect, pure purity 99.9% pure gold 500ppm. The naturally derived oil ingredients are quickly absorbed, creating radiance radiant from the skin. It solves the pulling in the skin and keeps moisturizing for a long time, so makeup does not grow of fall.

Product Description

1 pure purity 99.9% 24K pure gold 500ppm

The small particle pure gold is quickly absorbed into the skin to help with aspects of skin care such as skin whitening, detox, exfoliation, antioxidation and soothing the skin.

2 It's rapidly absorbed into the skin using natural oils.

Natural oils, such as jojoba seed oil and macadamia seed oil, are used to create a radiant glow from inside the skin.

3 Whitening & wrinkle improvement effect

Powerful active ingredients fill your tired skin with vitality, clearing your skin, increasing its elasticity, relieving pores and wrinkles, and thus leaving your skin soft and smooth.

Resurrection plant

(main ingredient: glyceryl glycoside)

Glyceryl glycosides from a resurrection plant open the aquaporin, a moisture pathway in the skin, and instantly moisturize the skin.

24k Gold

(500ppm)

The purified purity of 99.9% pure gold is absorbed quickly and activates the skin to promote exfoliation and cell regeneration. Detoxification helps to relieve skin problems such as inflammation, skin trouble and acne, and helps by providing antioxidants, skin whitening and skin soothing effects.

Hyaluronic acid & hexagonal glacier water

Hyaluronic acid, which attracts 1,000 times more moisture than its own volume, meets a hexagonal glacier water to form a pure water bomb. It is absorbed into the dermis layer of the skin to create moist and elastic skin.

04 Line Up – Queen79 Noble Gold Toner

Queen79 Noble Gold Toner

It has antioxidant, natural healing power, whitening, detox effect, pure purity 99.9% pure gold 100ppm. The element of the resurrection opens the water passage in the skin and increases the water retention to provide immediate moisture to the skin. It helps you relax your skin and makes your skin look smooth without irritation.

Product Description

1 Moisture bomb formation

Hyaluronic acid, which attracts 1,000 times more moisture than its own volume, meets a hexagonal glacier water to form a pure water bomb. It is absorbed into the dermis layer of the skin to create moist and elastic skin.

2 Essence-type moist formulation

The essence-type moist formulation and essence-type solution instantly moisturize the skin without irritation.

3 Whitening & wrinkle improvement effect

Powerful active ingredients fill your tired skin with vitality, clearing your skin, increasing its elasticity, relieving pores and wrinkles, and thus leaving your skin soft and smooth.

Resurrection plant
(main ingredient: glyceryl glycoside)

Glyceryl glycosides from a resurrection plant open the aquaporin, a moisture pathway in the skin, and instantly moisturize the skin.

24k Gold
(100ppm 사용)

The purified purity of 99.9% pure gold is absorbed quickly and activates the skin to promote exfoliation and cell regeneration. Detoxification helps to relieve skin problems such as inflammation, skin trouble and acne, and helps by providing antioxidants, skin whitening and skin soothing effects.

Star Anise

It protects your skin from harmful oxygen and helps with skin elasticity. It stabilizes the skin and prevents oxidation to help with skin vitality, contains antioxidants, and has anti-inflammatory and anti-bacterial properties.

BMBCO

Queen79 Noble Gold Emulsion

퀸 79 노블 골드 유액

Queen 79 Noble Gold Toner helps the skin barrier moisturize and elasticate with the help of resurrection plant called the rose of the desert and various types of natural plant extracts.

04 Line Up – Queen79 Noble Gold Emulsion

Queen79 Noble Gold Emulsion

It has antioxidant, natural healing power, whitening, detox effect, pure purity 99.9% pure gold 100ppm. Panthenol, a vitamin B5, stimulates skin regeneration and luster to restore tired skin, and delivers moisturizing ingredients to the skin to give skin elasticity and vitality.

Product Description

1 Panthenol's skin regenerating effect

Panthenol's skin regenerating effect helps skin cell activity, promotes skin regeneration and improves skin damage.

2 It's rapidly absorbed into the skin using natural oils.

Using natural oils such as Queensland Nut Oil and Jojoba Seed Oil, it is quickly absorbed into the skin to help nourish and moisturize the skin and balance the sebum secretion.

3 Whitening & wrinkle improvement effect

Powerful active ingredients fill your tired skin with vitality, clearing your skin, increasing its elasticity, relieving pores and wrinkles, and thus leaving your skin soft and smooth.

Resurrection plant
(main ingredient: glyceryl glycoside)

Glyceryl glycosides from a resurrection plant open the aquaporin, a moisture pathway in the skin, and instantly moisturize the skin.

04 Line Up – Queen79 Noble Gold Eye Cream

Queen79 Noble Gold Eye Cream

It has antioxidant, natural healing power, whitening, detox effect, pure purity 99.9% pure gold 100ppm. Golden silkworm compounds promote collagen synthesis, thus reducing wrinkles and boosting skin elasticity. Melanin has an inhibitory effect on pigmentation, which helps skin whitening.

Product Description

1 Fresh feeling for facial eye cream

Thanks to its non-oily fresh feeling, it can be used easily even in the summer and as a cream for your face between seasons and in winter. It is a multi-eye cream that can be used not only to care for eye wrinkles, nasolabial folds and neck wrinkles, but also as a substitute for lip balm.

2 Safe eye cream

Together with EWG GREEN grade ingredients, the dual functional test for whitening and wrinkle improvement, as well as the skin irritation test, have been completed, showing that it is a gentle but effective eye cream that can be used with confidence.

3 Whitening & wrinkle improvement effect

Powerful active ingredients fill your tired skin with vitality, clearing your skin, increasing its elasticity, relieving pores and wrinkles, and thus leaving your skin soft and smooth.

Queen79 Noble Gold Aqua Cream

퀸 79 노블 골드 아쿠아 크림

Queen 79 Noble Gold Aqua Cream helps the skin barrier moisturize and elasticate with the help of resurrection plant called the rose of the desert and various types of natural plant extracts.

04 Line Up – Queen79 Noble Gold Aqua Cream

Queen79 Noble Gold Aqua Cream

It has antioxidant, natural healing power, whitening, detox effect, pure purity 99.9% pure gold 100ppm. The gel-like cream type that contains water is used to balance the glacier water and pure hyaluronic acid meet to form a pure water bomb that moisturizes and flexes the skin and completes without oiling it.

Product Description

1 Arginine, a natural amino acid

Hydrophilic arginine keeps the skin moisturized, helps collagen activity in the skin to maintain nutrients in the skin, and creates a healthy and smooth skin texture.

2 It is used as a soothing sleeping pack for the skin

It can be used as a sleeping pack on your skin when you feel tension in your skin and when your skin turns red and tired after an outdoor activity or exercise during the day.

3 Whitening & wrinkle improvement effect

Powerful active ingredients fill your tired skin with vitality, clearing your skin, increasing its elasticity, relieving pores and wrinkles, and thus leaving your skin soft and smooth.

Resurrection plant
(main ingredient: glyceryl glycoside)

Glyceryl glycosides from a resurrection plant open the aquaporin, a moisture pathway in the skin, and instantly moisturize the skin.

24k Gold
(100ppm)

The purified purity of 99.9% pure gold is absorbed quickly and activates the skin to promote exfoliation and cell regeneration. Detoxification helps to relieve skin problems such as inflammation, skin trouble and acne, and helps by providing antioxidants, skin whitening and skin soothing effects.

Squalene

Strong antioxidant activity helps skin cell regeneration. It removes skin waste and supplies oxygen to skin cells to create smooth and elastic skin.

Queen79 Noble Gold Cream

퀸 79 노블 골드크림

Queen 79 Noble Gold Cream helps the skin barrier moisturize and elasticate with the help of resurrection plant called the rose of the desert and various types of natural plant extracts.

Queen79 Noble Gold Cream

It has antioxidant, natural healing power, whitening, detox effect, pure purity 99.9% pure gold 100ppm. Arginine a natural amino acid helps repair damaged skin. Soft cream type molds provide moisture and nourishment to the thinning skin barrier due to the external environment to help regenerate the skin and provide a deep moisturizing sensation.

Product Description

1 It's rapidly absorbed into the skin using natural oils.

It uses natural Babasu Seed Oil to form a natural moisturizing film on the skin's surface to help prevent moisture evaporation. The moisturizing film helps prevent skin trouble. It smooths the skin's texture and helps create glowing skin.

2 It is used as a massage cream.

When your skin feels rough, apply a lot of cream to your face and gently massage it into your skin.

3 Whitening & wrinkle improvement effect

Powerful active ingredients fill your tired skin with vitality, clearing your skin, increasing its elasticity, relieving pores and wrinkles, and thus leaving your skin soft and smooth.

Resurrection plant
(main ingredient: glyceryl glycoside)

Glyceryl glycosides from a resurrection plant open the aquaporin, a moisture pathway in the skin, and instantly moisturize the skin.

24k Gold
(100ppm)

The purified purity of 99.9% pure gold is absorbed quickly and activates the skin to promote exfoliation and cell regeneration. Detoxification helps to relieve skin problems such as inflammation, skin trouble and acne, and helps by providing antioxidants, skin whitening and skin soothing effects.

Allantoin

It moisturizes the skin to make it smooth. Since there is no irritation of the skin, it protects sensitive skin, helps regenerate and exfoliate your skin, and reduces acne inflammation.
