Reviews

>

After I use this mask pack,
I feel like my skin become
very soft and most of all,
the best thing was I can
use it every day for a week
(Late 20s / Sensitive skin)

I was so surprised that this mask
sheet contains enough essence. I
was a bit worried about the amount
of essence but it was enough.
(Late 30s / Combination type skin)

I was worried about the
hygiene since one pouch
contain many sheets, but it
was easy and clean to use
everyday
(Mid 20s / Sensitive skin)
