TROIAREUKE

Perfect Confidence For Your Skin

Prescription Skin Care for
Today's Skin Condition

TROIAREUKE

Troiareuke is a professional prescription skin care brand.
Troiareuke provides perfect solution for “Today’s skin condition”.
Personalized skin care prescription gives the best solution to different skin types and skin concerns which gives great satisfaction to all the skin.

TROIAREUKE’s Concept

Areuke_Beginning of Prescription Skin care Cosmetic

‘Areuke’ means beginning and foundation. Troiareuke’s foundation is to give perfect skin care solution to different types of skin and concerns.
Troiareuke is the beginning and the foundation of No.1 prescription skin care cosmetic.

Rx_Customized Prescription Treatment

Every skin has different skin problem due to several factors such as; genetic, external environment factors and emotion.
Troiareuke provides the RIGHT prescription skin care treatment.

Professional choice_Visible and Effective Skin care Results

Troiareuke is used by skin care Professionals and Aestheticians.
Over 5,200 Beauty centers are using Troiareuke product for specialized skin care treatments.

Philosophy_29 years’ philosophy

29 years of wide and deep experience of skin care brought Troiareuke to life.
“Skin Do it” is the basic philosophy of the brand

Prescription skin care for
Today’s skin condition

TROIAREUKE Skin Care Recipe_3 Step

- 1 Step **CHECK** Your skin concern
- 2 Step **GET** Personal skin care treatment
- 3 Step **USE** Prescription skin care at home

TROIAREUKE CONCEPT

6 Skin Care Recipes™, Phyto chemical and Chroma therapy provide
“Prescription skin care solution for today’s skin condition”

Phytochemical_Plant makes antioxidant ingredient to protect itself.

The power of phytochemical & Nature plant extract -
protects and restores skin from
harmful external environment.

Fermentation Technology behind the formula _Using natural fermented ingredients.

Troiareuke is natural cosmetic brand which uses safe and natural ingredient for skin care cosmetic.

Chroma therapy_ use light in the form of color to balance "energy" lacking from a person's body, whether it is on physical, emotional, spiritual, or mental levels.

Each color has it's own energy source. Through visible color, 4 ampoules provide emotional, psychological relaxation and help to rebalance the skin energy through light. Four different colors make skin to rebalance and recovers today's skin condition

ACSEN CONCEPT

It is a special line designed for acne & sensitive skin. ACSEN line provides personalized skin care routine from facial cleanser to make up.

ACSEN

[Acne]+[Sensitive]

Acsen's main ingredient.

Centella Asiatica_Powerful Recovery Energy

It helps to restore damaged skin cells from the inside out and has effect on the wounded areas.

Selemix An™_Powerful acne and sensitive skin solution

New concept of ingredient has been developed for acne and sensitive skin. The powerful energy has been extracted from germinating soybean and the bark of magnolia tree.

It protects and recovers P.acne inflammations.

TROIAREUKE Skin Care Recipe Step

Skin type diagnosis

[1]

Lack of Moisture Self Check	Check
1. My pores are very small and it is hard to see	<input type="checkbox"/>
2. After cleansing or depending on the environmental condition my skin feels tight	<input type="checkbox"/>
3. My skin looks rough, partially can see the dead skin, seasonally white dry patch	<input type="checkbox"/>
4. I get wrinkles around eyes and mouth easily	<input type="checkbox"/>
5. The make-up does not wear well on the skin. For man skin has redness and stinging after-shave	<input type="checkbox"/>

[2]

Excessive oil Self Check	Check
1. Skin does not look radiance clear and it looks dull	<input type="checkbox"/>
2. The pores are opened(big) and the surface is rough	<input type="checkbox"/>
3. When body feels tired or stressed, skin gets trouble (PMS skin trouble)	<input type="checkbox"/>
4. When changing cosmetic, high tendency to have skin trouble	<input type="checkbox"/>
5. The make-up wear off easily. For man skin looks oily after period of time	<input type="checkbox"/>

[3]

		Moisture	
		Lack (A)	Normal (B)
Oily	Lack (C)	AC	BC
	Excessive (D)	AD	BD

[4]

AC : Lack of moisture(Extreamly dry skin)
 AD : Lack of moisture(Dry skin)
 BC : Lack of Oil Sebum(Combination skin)
 BD : Oily Skin

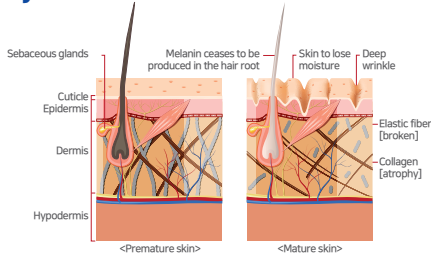

- Lack of moisture 0~2 : Normal (B), 3~5 : Lack (A)
 - Excessive oil 0~2 : Lack (C), 3~5 : Excessive (D)

* In case you have got A 4~5, D 4~5 checks in self test, there is high tendency for skin to be extremely dry or seborrheic dermatitis

<Skin type Result Moisture / Oily>

- TROIPEEL RESURFACING TREATMENT

- TROIPEEL RESURFACING TREATMENT

<0 Step> Prescription skin and consultation

Use Aroma Lymph Oil circulate lymph and release muscle.

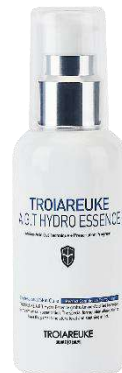

<1 Step> Cleansing and Toning

1. Cleansing: PIT Cleansing Milk

Use brush apply to the skin and wait 2 minutes

2. Toning: Healing Cocktail _ Skin Complex Formula+ Green Ampoule

Use cotton gently apply to the skin

<2 Step> Pre-Mask _ A.G.T Hydro Essence

Use tow and half pump, using brush apply to the entire skin.

Wait fro 8~10minutes and using cotton to remove.

This step is to give the skin enough moisturizing. It helps the penetration of the Micro Hearbal Needles (organic-calcium) easily penetrated when doing the treatment.

- TROIPEEL RESURFACING TREATMENT

<3 Step> Degreasing _ TROIPEEL Degreasing Solution

Spray on the cotton pad and wipe the skin quickly. Before wiping the skin should tell the customer to hold the breath for few seconds.

* The therapist should disinfect glass container, spoon and hand at this step.

<4 Step> TROIPEEL TREATMENT _ Implant Organic Calcium Crystal

1. Intensive treatment: 0.8g TROIPEEL POWDER+ 2.5ml G&S Ampoule

The treatment delivers every 3~4weeks.

2. Soft treatment: 0.4g TROIPEEL POWDER + 2.5ml G&S Ampoule

The treatment delivers every week.

- TROIPEEL RESURFACING TREATMENT

<5 Step> Second Mask _ Blue cocktail

Wait for 8~10minutes to soothes skin.

This step is to calm the skin and to give enough moisturizing.

After 10 minutes wipe off the skin.

<6 Step> Finishing treatment _ TROIAREUKE Laser Cream and Aesthetic BB cream H+ Formula

Use dry cosmetic sponge apply to the skin. First use laser cream then using the Aesthetic BB cream H+ Formula. Also can mix Laser Cream and BB cream H+ then apply to the skin.

* In this step should apply the cream quickly to reduce the pain.

- Quick TROI Program

What is Quick TROI Program?

This is a soft resurfacing program designed for customer who has a extra sensitive skin or want to have less reaction treatment.

This treatment can deliver once a week. If Intensive Treatment delivers every three weeks, Quick TROI could do every week treatment. However the clinical result would be same. Depends on the customer's needs therapist could prescribe Intensive or Quick TROI.

Recommended For

- Extra Sensitive skin
- Customer with no experience in resurfacing program
- Brightening skin
- Pore skincare treatment

- Quick TROI Program

<0 Step> Prescription skin and consultation

Use Aroma Lymph Oil circulate lymph and release muscle.

<1 Step> Cleansing and Toning

1. Cleansing: ACSEN Oil Cut Cleansing

Apply on the dry skin and rub the face with warm water

2. Toning: Healing Cocktail _ Skin Complex Formula + Green Ampoule

Use cotton gently apply to the skin

<2 Step> Pre-Mask _ A.G.T Hydro Essence

Use tow and half pump, using brush apply to the entire skin.

Wait fro 8~10minutes and using cotton to remove.

This step is to give the skin enough moisturizing. It helps the penetration of the Micro Hearbal Needles (organic-calcium) easily penetrated when doing the treatment.

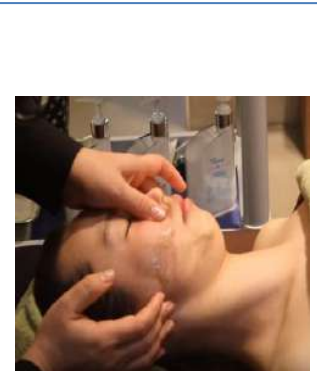

- Quick TROI Program

<3 Step> Degreasing _ Troipeel Degreasing Solution

Spray on the cotton pad and wipe the skin quickly. Before wiping the skin should tell the customer to hold the breath for few seconds.

* The therapist should disinfect glass container, spoon and hand at this step.

<4 Step> TROIPEEL TREATMENT _ Implant Organic Calcium Crystal

Quick TROI:

0.4g TROIPEEL Powder + 12 times pumps of ACSEN Selemix Serum

PROFESSIONAL's TIPS

Prescription Ampoule + Porcelain Treatment

Depending on the skin disorder prescribe TROIAREUKE Ampoule and do the porcelain treatment for better penetration.

- Quick TROI Program

<5 Step> **Second Mask** _ Blue cocktail

Wait for 8~10minutes to soothes skin.

This step is to calm the skin and to give enough moisturizing.

After 10 minutes wipe off the skin.

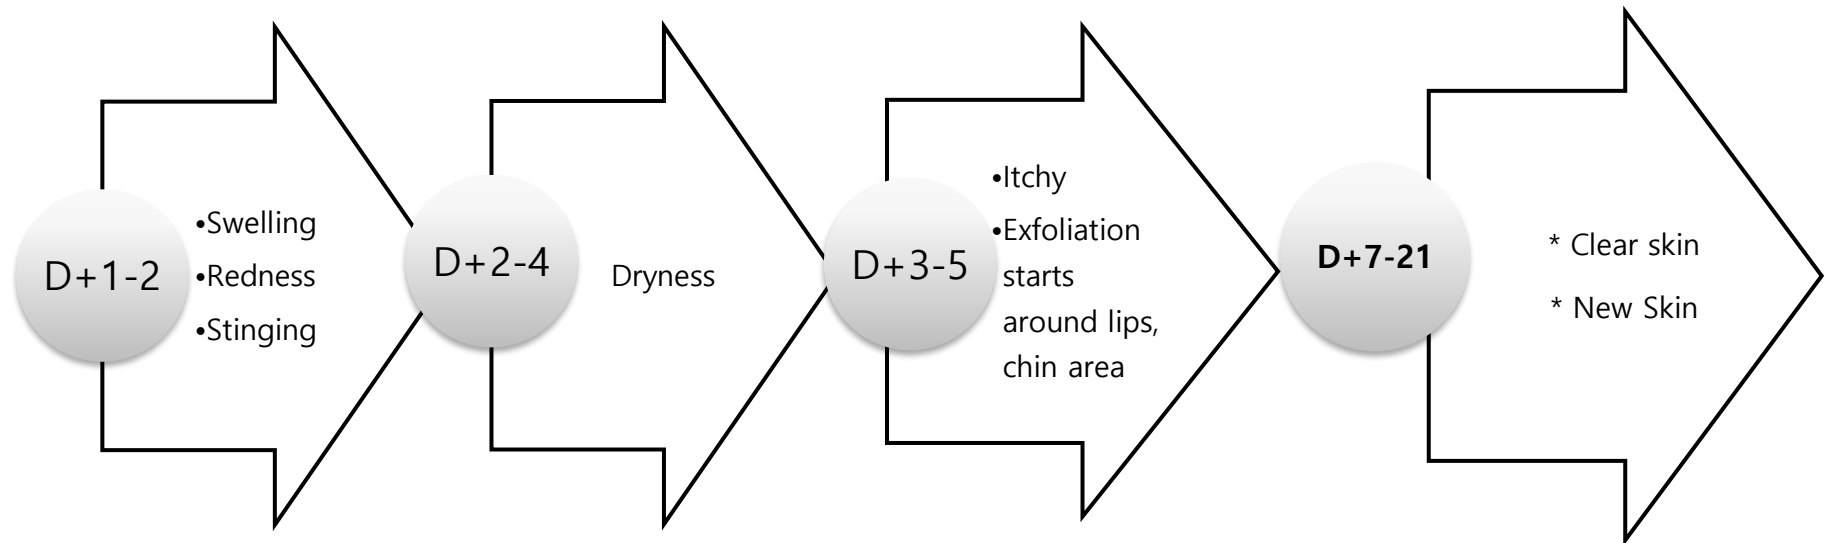

<6 Step> **Finishing treatment** _ Troipeel Laser Cream and Aesthetic BB cream A+ Formula

Use dry cosmetic sponge apply to the skin. First use laser cream then using the Aesthetic BB cream A+ Formula. Also can mix Laser Cream and Healing cream then apply to the skin.

* In this step should apply the cream quickly to reduce the pain.

- Resurfacing Process
