HOW TO USE

- 01 Using the enclosed spoon, place content on desired areas (face, neck, hands, etc.) and rub with the fingers until the content changes to a gray color.
- 02 After 30~40 seconds, primary foam will be generated. After the foam disappears, rub once more to generate foam again. When the foam has completely disappeared, wash off with water.
- 03 For a deep pack effect, leave it on for 10~20 minutes after foam has completely disappeared and wash off.
