VS

THE PLANT BASE

THE PLANT BASE formulates skin care with PLANT EXTRACTS based

True Formula of THE PLANT BASE

THE PLANT BASE's Air-Squeeze™ technology

True Safety of THE PLANT BASE

THE PLANT BASE clearly labeled full ingredient lists on each product

✓ Check the safety certification mark

THE PLANT BASE insists only dermatologically tested product by certified clinical trial institution and follows good manufacturing practice guidelines. Also, we do not test on animals

✓ Check GMP(Good Manufacturing Practice) mark

There are more than 1,300 cosmetic factories in Korea but only 77 of them have GMP certification. THE PLANT BASE's products are manufactured only from GMP certified factories which is safe and clean

Check the percentage of natural ingredients

THE PLANT BASE do not exaggerate the amount of used natural patent ingredients and active ingredients for moisturizing, whitening and anti-wrinkle. We labeled the component inclusion rate by percentage

✓ Formulated without harmful ingredients

THE PLANT BASE promises beautiful and healthy skin by non-added on Paraben, Mineral oils, Pigment and synthetic fragrance, etc. You will see how the Mother Nature can be filled in one bottle of skin care
