Except for the bitter seeds, Citron flesh and peel are finely ground. everyone can delicious eat Cheongsando Yuja-Cheng, including children and pregnant women.

Cheongsando yujacheong is 100% handmade

Products that carry usually packed into a convenient tube, fits easily into your bag picnic when you can eat when you want to eat at any time

You can eat it in many ways.

Warm water makes citron tea.

If you spread it on bread, it becomes citron jam.

Children do easily. Not need spoons

If you put it in carbonated water, it becomes Yuzu Ade

It mix well in cold water and is sweeter. It's not affected by the temperature of the water.

If you put it in my favorite healthy salad, it becomes citron dressing.

The dressing base makes delicious dressing for both oil base and mayonnaise base and plain yogurt base.

If you put it in a dish, it becomes citron sauce.
