

Skin Care Edelweiss Pure Line Liz Corporation Ltd

Liz Corporation is a start-up incorporated in 2016 with corporate philosophy of "Liz cares people, Liz cares nature" and established a hair and body specialist brand of "She Elizabeth"

About Liz

Liz cares people, Liz cares nature

"Liz care people, Liz cares nature," said She Elizabeth, a healing home care brand that does not worry about harmful ingredients. It contains the corporate spirit of ".

We have built '8 free system', a special home care system of She Elizabeth , and applied it to all products.

A unique "8 Free System" of She Elizabeth means without eight unhealthy ingredients of Propylene Glycol, p-Hydroxybenzoic Acid Iodopropynyl, Butylcarbamate(IBPC), Methylchloroisothiazolinone(CMIT) / Methylisothiazolinone(MIT), phenoxyethanol, Paraben, Diazolidinyl Urea, Benzophenone, which are commonly and incautiously used in other care products.

Skin Care _ Edelweiss Pure Line

Liz cares people, Liz cares nature

Leontopodium Alpinum Callus Culture Extract

It is stem cell extract from Edelweiss, a noble flower that can be tolerated even in the highlands, and then increases the active ingredient with excellent physiological activity by applying the patented SMART-RC2((NET certification) culture technique.

It helps skin moisturizing, soothing and wrinkle improvement, and confirmed anti-aging effects through clinical trials.

Liz Corporation, Ltd.

Art Collaboration _ She Elizabeth X Louise Kwon

Liz cares people, Liz cares nature

Art Collaboration painted by Louise Kwon_Jasmine_53X45.5cm_oil on canvas_2020

The girl is a modern reinterpretation of the flower goddess Flora in Botticelli's "Spring." Resurrection obtained from plants, the effect of regeneration, and the feeling of happiness conveyed by the fragrance of flowers are expressed in warm spring tones.

Edelweiss Pure Edelweiss Pure foam Cleanser

Liz cares people, Liz cares nature

150g

Edelweiss Callus Stem Cell Extract

It is stem cell extract from Edelweiss, a noble flower that can be tolerated even in the highlands, and then increases the active ingredient with excellent physiological activity by applying the patented SMART-RC2((NET certification) culture technique. It helps skin moisturizing, soothing and wrinkle improvement, and confirmed anti-aging effects through clinical trials.

patented technology Edelweiss callus stem cell extract/slightly acid ph balance
You can clean sensitive skin healthily with patented Edelweiss Callus stem cell extract
The rich bubble cleanser cleanses your skin, making your skin tone brighter and brighter
Protect your skin barriers with a weak acid cleanser with skin-like properties

Edelweiss Pure Edelweiss Pure foam Cleanser

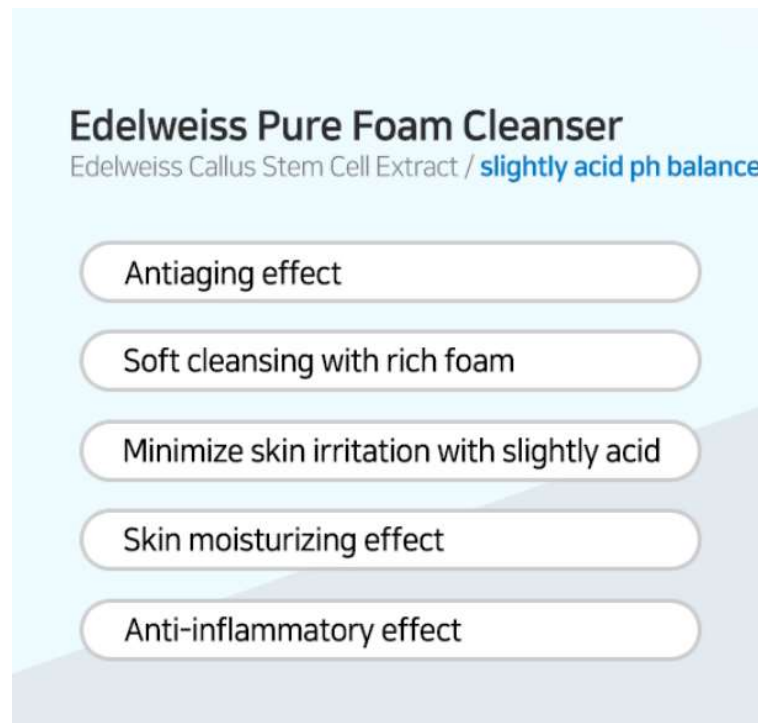

Liz cares people, Liz cares nature

Edelweiss Pure foam Cleanser removes impurities with deep cleansing

The rich and soft foam has a remarkable cleansing effect that cleans up pollutants, dust, sweat, and even impurities such as excessive sebum with makeup

It is slightly acid that is close to the skin's original ph, which helps to find healthy skin by matching the collapsed skin balance from external stimuli

Check for skin shining with slightly acid cleansing that protects skin barriers

Edelweiss Pure Edelweiss Pure Foam Cleanser

Liz cares people, Liz cares nature

Edelweiss Pure foam Cleanser removes impurities with deep cleansing

The rich and soft foam has a remarkable cleansing effect that cleans up pollutants, dust, sweat, and even impurities such as excessive sebum with makeup

It is slightly acid that is close to the skin's original ph, which helps to find healthy skin by matching the collapsed skin balance from external stimuli

Check for skin shining with slightly acid cleansing that protects skin barriers

The weakly acid Edelweiss Pure Form Cleanser is similar to skin ph, which helps to create a healthy skin condition and prevent demodex and acne.

It is a cleanser that can be used without irritation from the face to the body throughout the entire generation because it does not irritate the skin.

How to use

Wet the skin and massage over the face and eyes, then rinse. Use daily, morning and night

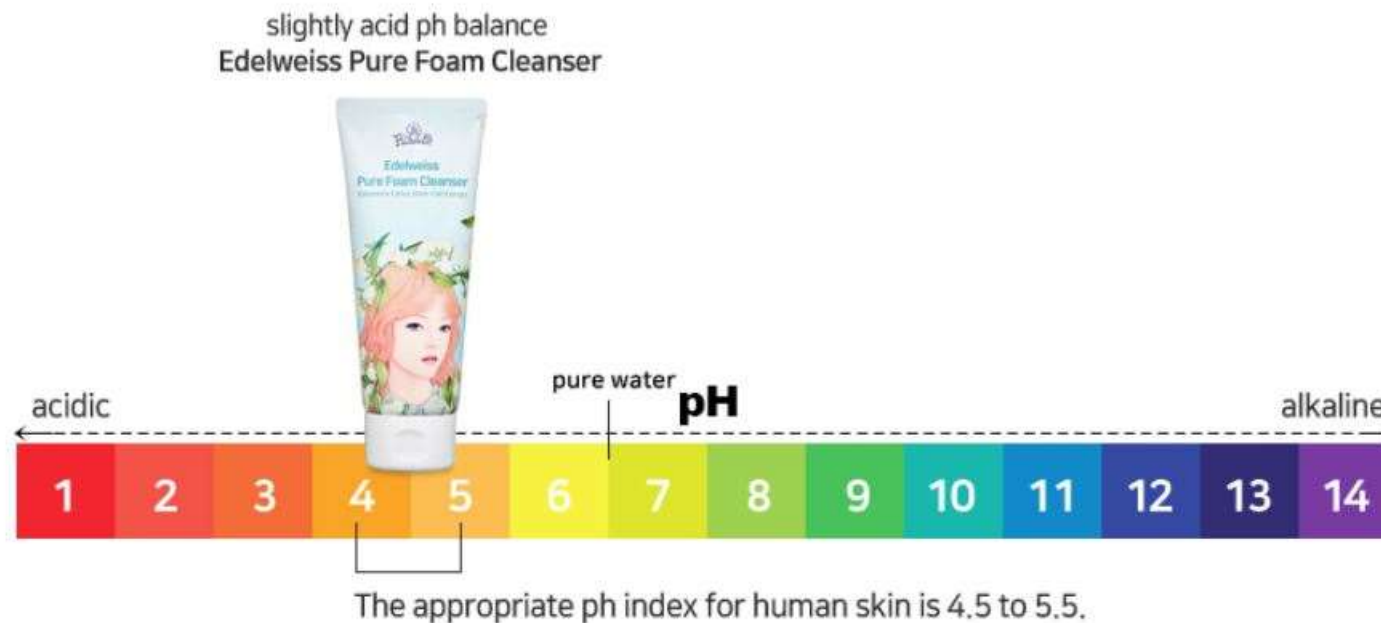

Edelweiss Pure Edelweiss Pure Foam Cleanser

Liz cares people, Liz cares nature

Edelweiss Pure foam Cleanser removes impurities with deep cleansing

The appropriate ph index for human skin is 4.5 to 5.5.

If you move out of this range and become acidic, you will be short of moisture and become more alkaline, resulting in trouble.
