

MONASIERE SOAP FOR ATOPIC ECZEMA TREATMENT

Question to: email at handapark@naver.com Call at +82 10 5515 3

This organic skin care soap made from natural herbs and vegetable coconut oil is most suitable for babies, kids and even adults who are suffering from the chronic atopic eczema. This unique natural herbal soap helps atopic eczema cure treatment combating against irritation, toxins and itchiness of the skin. This rich-lathering soap leaves skin supple and soft, keeping away from chronic atopic dermatitis. This anti atopic moisture skin care soap is addictive free, no coloration and no fragrance. It is 100 gram soap used for 1-2 months.

With enough soap foam in both hands, apply the soap bubble to the atopic eczema skin area, massage gently the wound and surrounding area with mild soap bubble and lukewarm water and completely rinse the bubble out of the skin. Stop use of the soap when abnormal. Keep the soap away from kids. Do not keep the soap at too hot, cold and sunny places.

Skin care beauty products distributors or shops are most welcome to place regular orders, even small orders, or OEM orders, too.
